

Guided Reading

A. Finding Main Ideas Fill out the chart below as you read about the French and Indian War (1754–1763).

1. Which groups fought against each other?	2. Why did they fight?	3. Where were important battles in the war?
4. Who were military officers or political leaders involved in the war?	5. How did the war end?	6. What happened after the war?

B. Analyzing Points of View The Treaty of Paris (1763) divided North America among European powers. On the back of this paper, explain how England, France, and Spain probably viewed the terms of the treaty.
